INTRODUCTION

Martin Mathew & Co Ltd. established over 45 years, head office based in Hertford, Hertfordshire, UK, with main warehousing in Kings Lynn, Norfolk.

Martin Mathew & Co Ltd, is home of the Riverdene brand of canned foods, is a leading Importer and Distributor in the UK, supplying canned and ambient foods, oils, vinegars and pasta to the catering, foodservice, manufacturing and retail sectors.

Martin Mathew & Co Ltd. supply over 350 product lines in different pack formats, from canned Far Eastern pineapple to bulk Mediterranean tomato paste, to bottled balsamic vinegar. We deal with suppliers in over 25 countries worldwide and make regular visits to our reliable, approved factories ensuring our customers receive products that meet the highest quality standards.

COMPANY PROFILE

Martin Mathew & Co Ltd. continually increase the product range to adapt to ever-changing consumer demands and tastes, always looking for innovative ingredients and packaging to provide our customers with the ideal size or format for their business.

- Privately Owned Family Business, established in 1973, based in Hertfordshire, UK., with turnover of over £40 million (55 million euro / \$60 million)
- Products, consists of canned Tomato, aseptic Tomato, canned Vegetables, canned Beans and Pulses, canned Fish and Meat, canned Fruit, Olives, Olive Oils, Vinegars, Jams, Pasta, Coconut milk, Panko and other specialities.
- Importing, from over 25 countries, shipping over 3,500 fcl's per annum.
- Distribution, is UK Nationwide, Channel Isles and Ireland, from 1 mixed pallet to multiple direct fcls or trucks. Delivering over 1200 pallets per week
- Main Customers, supply major catering outlets, restaurant chains, the largest food service distributors, retailers, the blue chip manufacturers, contract caterers and are pleased to supply the smaller independent wholesalers.
- Suppliers, working with esteemed factories throughout the World, with full accreditation and traceability.
- Agencies, the company has strong relationships with the largest factories around the World and have the exclusive agencies for UK distribution with Menz & Gasser (Jams), Acorsa (Olives), Granoro (Pasta) working in partnership with Giaguaro, Italy. Exclusive UK agents for Kyknos Tomato Paste, the Greek brand leader and others...
- Other Operations, include East Coast Storage (Handling) Ltd (a business park and bonded warehouse in Kings Lynn, Norfolk), other warehouse facilities in Wisbech, Cambs.
- Quality Assurance, the company is BRC Approved. We have an experienced team of Technical Managers in head office and warehouse. All of our products are sourced from BRC approved factories.
- Branding, the company has many own brands, the main brand is "Riverdene", but also use "Cloverleaf", "Ballerina" & "Martin Mathew". We contract customer own label business subject to volume. Exclusive distributors of Acorsa, Menz & Gasser, Granoro, & Kyknos brands. Other owned brands include – Pulcinella, Jimmy Lovely's, Fruitoful, Eatfresh, Country Town, Mummy's brand and Harry's.

BRANDS

The main brand is Riverdene, for 35 years symbolising consistently high quality products for the foodservice and retail sectors. The name originates from the family home of the company's founder.

Ballerina offers specialised products such as breakfast variety Spanish tomatoes and anchovies.

Harry's. A new range of premium pressed tomato juice and bloody mary mix.

Pulcinella, the high quality brand for the range of Italian Tomato products.

Cloverleaf & Country Town operate in different sectors of the market for products such as tuna.

We supply a full range of jam and preserve portions under the Menz & Gasser brand.

We are exclusive agents for the Acorsa brand for Spanish Table Olives, the biggest producer in the world.

We are the UK agents for Kyknos brand, the No. 1 Tomato Paste in Greece. Probably the best quality available.

Granoro, one of the finest Italian pasta around, guaranteed good results and supplied into many UK restaurant chains.

QUALITY ASSURANCE

Martin Mathew & Co Ltd. are committed to sourcing the finest food products worldwide from quality approved producers, and shipping the goods into our wholly owned BRC approved Warehouse or directly to the customer's depot.

Our systems ensure full traceability from factory to customer and have complete control of all administrative procedures. Our own quality system is accredited by independent third parties including BRC Global Standards for Agents & Brokers.

We purchase from the best BRC, IFS, HACCP and MM audited factories around the World. Upon arrival at East Coast Storage products are frequently sampled and tested against product specifications.

We have a team of Technical Managers responsible for all aspects of quality control and ensuring customer requirements are met.

Martin Mathew & Co Ltd
are BRC Approved.

Martin Mathew & Co Ltd
are AEO Approved.

A28215	Riverdene	Passata 6 Brix	225kg	Drum	4	4
A28250	Riverdene	Tomato Coulis	225kg	Drum	4	4

Please take note that the drum weights can vary depending on the packer.

Please take note that the products seen above can be produced to your particular specification, for example, for chopped the dice size can be from 19x19 to 14x14mm, can be with or without calcium added, the brix levels can vary from natural brix to 7/8.

The Passata can be produced to various brix levels, such as 6,8,10 brix and the Crushed Tomatoes can be produced to different sieve sizes.

The Pizza Sauce can be manufactured to your exact recipe in the desired brix.

BEANS & PULSES

We have many varieties of canned bean and pulses available. We are aware of the increasingly popularity for the health benefits and continue to expand this range.

The beans and pulse products are widely used within salads, dips and various vegetarian dishes.

PASTA PRODUCTS

The Italian pasta range consists of the standard shapes of Penne, Fusilli and Spaghetti, but have many others to provide a large range of interesting shapes to suit the demands. The product is made with 100% high protein durum wheat and we work closely with the Granoro factory in Italy supplying major restaurant chains and foodservice distributors. We can offer in 500g retail sizes and 3kg foodservice and also in bulk for food manufacturing.

TERMS & CONDITIONS

This Sales Contract overrides any Purchase Contract whatsoever issued and the goods are sold subject solely to the Full Terms and Conditions of Sale of Martin Mathew & Co Ltd a copy of which are available on written request.

QUALITY

It shall be expressly understood that the goods covered by this Contract shall be of a sound and merchantable quality unless stated to the contrary. Once product has been opened and used in further preparation and/or manufacturing, due diligence responsibility passes to the buyer. No claims will be permitted for losses, costs or expenses resulting from an event or due to circumstances beyond the control of the Seller.

GUARANTEE

Goods covered by this Contract are guaranteed to comply with the terms of the Food Safety Act 1990, the Weights & Measures Act and all statutory orders amending them and all other current statutory conditions relating to the sale of food. The terms and conditions in this contract shall be construed and governed in accordance with the Laws of England.

FREIGHT & HAULAGE

Price (s) stated in this Contract is (are) based on Freight & Haulage Rate(s) ruling at date of contract and any variations in this (these) or surcharge to this (these) rates at time of shipment/delivery beyond sellers control shall be for buyer's account.

DUTY, TARIFFS, TAXES, LEVYS etc

Price(s) stated in this Contract is (are) based on the import Duty/Tariff/Taxes/Levies ruling at date of contract and any variation in all or any of these at time of arrival of goods at port of discharge shall be for buyer's account.

CURRENCY

Should there be a depreciation in currency exchange rates of more than 5% then Seller only will have the right to renegotiate the Contract.

LIABILITY

In the event of delay of shipment, non-delivery or short delivery, loss or damage due to non-shipment or to damage caused by fire, flood, strikes, embargoes, civil unrest, war, loss of or damage to documents, delay in communications, crop failure, or any other cause(s) beyond the control of the seller, seller shall not be liable. Should any of these factors result in reduced quantities becoming available, the seller is at liberty to deliver pro rata, each delivery to be considered and treated as a separate contract. No claims, penalties or fines for delay, reduced quantities or failure to supply or any costs arising from these eventualities will be permitted. The Company will not accept any liability in respect of consequential losses allegedly arising from damage to products caused by goods supplied and will be limited to the value of the goods supplied under the Terms of the Contract.

If buyer fails to take delivery of goods within terms of contract or to make payment according to terms of contract seller may cancel that installment of goods or cancel contract.

CLAIMS

All claims for recovery of loss or damage by any means shall be made by buyer within 3 days from arrival of goods at buyers warehouse. Goods sold ex wharf or warehouse to be taken and examined at wharf or warehouse where lying. Any claim must be lodged prior to removal of goods. No claim for product recall is permitted without written instruction from the seller prior to recall. Thereafter it is at the cost of the Buyer to prove wholly that the recall was completely necessary.

PASSING OF PROPERTY

Only at the time payment is made in full by the buyer to the seller shall title to the goods be transferred by the seller to the buyer and if the buyer shall sell the goods to any third party the proceeds of the resale (or any claim thereto) shall remain with the seller. Failure on the part of the buyer to pay the seller shall entitle the seller to repossess the goods (without prejudice to any other remedy /ies) without prior notice and to enter any premises so to do.

RISK

Goods sold F.A.S., F.O.B. or C & F shall be at buyers risk from the time they are presented for delivery or to dock for shipment and buyer shall be responsible for loss or damage from that time. Goods sold ex factory shall be at buyers risk from the time buyers are advised that goods are available for collection.

CONTAINERISATION

Shipment(s) by container will be subject to the following additional conditions: -

- (a) In the event that containers are delayed at the buyers premises for a period in excess of that prescribed by the carrying company for discharging then any demurrage charges arising from such delay shall be for buyers account.
- (b) The responsibility for ensuring that the seals on the container are unbroken at time of delivery to the buyer rests with the buyer. Notice that seals are broken must be given at the time of delivery to the carrier. No claims can be considered without such notification.
- (c) Documents may consist of Way Bill(s), delivery order(s), or bills of lading at seller's option.

ARBITRATION

Any dispute arising out of this Contract shall be settled by arbitration in London in accordance with the Laws of England and the Rules of the London Court of Arbitration, Arbitrators, one to be appointed by each party, shall appoint a third to act as umpire.

AMENDMENTS

No amendment(s) or variation(s) to this Contract is (are) valid unless a contract notice of amendment is issued and signed acceptance received by both parties to the Contract.
